

**New York State Department of Labor**  
**Workforce Development Catalogue of Funding**  
**Overview**

**General Description**

The Workforce Development Catalogue of Funding provides a catalogue listing and description of various state and federal funding programs and/or tax credits available for workforce development, workforce preparation, adult education and skills training. Senate Bill S7325, which was signed into law by Governor Cuomo in April 2018, requires that the New York State Department of Labor (NYSDOL) publish this information annually. This information provides the public with an electronic resource of programs and tax credits available in New York State aimed at addressing both current and future workforce needs.

**Limitations of Data Use**

This data set is updated annually and is a snapshot of information at the time of submission.
